Please describe the vision of your program? Why does your community need this program?  
What will it look like over the course of a year?

---

---

---

What programs can we help you set up or expand? Please select all that apply.\*

- How to start a running club
- Beginners' Walk/Run programming
- Kids' walk/run programming
- Kids running programs in schools
- A community walking competitive program
- 1 mile walk/5k events on road
- Trail running races, ultramarathons and other special events that are part of your program
- Other

Please Describe:

---

---

---

What West Virginia running program(s) would you like to visit? See descriptions at  
<http://wvrunresourcenet.com/our-network/>

---

Please list the names and contact info of at least two people who have committed to help lead at least monthly runs year-round.

---

---

---

What is the expected start date for your proposed program?

---

Please describe the anticipated/hoped-for schedule of your program. For instance, how many events do you anticipate having and how will they be distributed through the calendar? What groups do you hope to involve ( e.g. beginners, kids, advanced runners)?

---

---

---

How do you plan to help beginning runners / walkers?

---

What efforts have you made to stir up community support for this project? List talks to organizations and/or contacts made.

---

Can you list 3-4 local organizations that have agreed to support your running/walking program? Please describe their agreed-upon contributions.

---

---

---

---

Can you provide a list of at least 10-20 local people who have expressed interest in participating in your year-round program?
